

# **Shiva VPN Privacy Policy**

## **Collection and Use of Personal Data**

Shiva VPN values your privacy and is committed to protecting and processing your personal data in accordance with applicable data protection laws. We collect personal data only when necessary for providing our services and fulfilling obligations to you, our clients and partners. Personal data may include, but is not limited to, name, email address, phone number, and other information necessary for quality service delivery.

We use your personal data for:

- Registering and administering your account.
- Processing your requests and inquiries.
- Providing access to our services and products.
- Improving service quality and developing new products.

We do not disclose your personal information to third parties without your consent, except as required by law.

## **Data Storage and Security**

We take all reasonable measures to protect your personal information from unauthorized access, use, or disclosure. Your data is stored on secure servers, and we strictly adhere to security standards to prevent leaks and unauthorized access.

## **Changes to Privacy Policy**

We reserve the right to amend our privacy policy from time to time. Any changes will be posted on our website, and your use of our services after such changes will constitute your acceptance of the updated terms.
